TOYS ARE DOREEN

Dear PURELY 18,

Each and every issue of your magazine gets better and better. Your young girls are the real deal! And none personify the concept of being a newly minted *Purely 18* teen than Doreen in your last edition. This cuter-than-cute brunette made my cock throb so much that I thought I was 18 myself again.

Her tight pink pussy glowed with excitement as she sucked that sex toy into her mouth. This was no fake arousal; the truth was evident. Since she's so young, I was wondering if this was her first experience with toys, or if she uses them in her "real" life. Just curious. Keep up the great work, guys.

**Patrick M.
Tarpon Springs, FL**

(Well, Patty, we asked Doreen and all she did was wink. But by the way she played with the damn things during the shoot, we'd say it wasn't her first time at bat. Thanks for the kind words, too.)

Eva

EYES HAVE IT FOR EVA

Dear PURELY 18,

C'mon, dudes, what are you trying to do? Last month, when you ran a pictorial of Eva and Nick, I couldn't see straight for a week afterward! My eyes bugged out by continuously looking at the layout of that adorable little blonde sucking off her beau. Now that's erotic!

Unfortunately, I haven't had a girlfriend in awhile. I do sometimes go to titty bars, but the girls don't look anything like Eva (or the other chicks you feature). Any chance that Eva might start stripping—or make dirty movies—so I can check her out again. I don't mind going blind for the experience!

**Willie T.
St. Joe, MO**

(Willie, we wouldn't want to be accused of contributing to any poor health our readers might suffer. We can tell you that, for the foreseeable future, we don't expect Eva to be making any live appearances. But keep on checking out our mag. We just might have have back again for a return engagement.)

34021

Gina

34001

OH BOY, WHAT A GIRL

Dear PURELY 18,

I love your magazine. To be honest, the main reason I buy it is for the hot girl/boy pictorials. Your single sets are way above average, but when you feature a shoot like you did last issue with Vicki and Carl, you set the industry standard!

Seeing that amazing young nymphette giving up her body to a guy sent chills down my spine. I like to fantasize that I'm the guy with the chick, and when I imagined myself fucking Vicki, I couldn't stop cumming. Do you have any need for a somewhat-in-shape, 41-year-old male model? If so, I'm at your disposal!

**Prescott A.
Mesa, AZ**

(Prescott, we hate to be the bearer of bad news, but currently, we're not in the market for an over-40 male model—if we were, several staff members are way ahead of you in line. But we do hope you'll continue to buy our publication so you can maintain your steamy fantasies.)

33996

Malinda

INDECENT PROPOSAL

Dear PURELY 18,

Like most guys, I have a favorite type of girl. While most young, newly legal girls get my prick hard and rocking, I have a particular penchant (read that obsession) for blondes. And no young blonde in recent memory came as close to being a supermodel as did Malinda in your most recent outing.

Malinda is the stuff that unrequited love is made of. I don't want to come off as bizarre, but I would marry her today, just on my one "viewing" of her without second thought. Her lithe body, tight pussy, golden blonde locks, and come-hither face would have me enthralled for eternity. Any chance she'd accept my marriage proposal?

**Hubert E.
Pocatello, ID**

(Wow, Hubert, we're overwhelmed by your proposal, so imagine how Malinda must feel! We'll pass along your question, but we have the feeling she might want to meet you first before getting engaged. And since that might not be possible, we'll let her know your your president of her fan club. She'll appreciate that!)

BEHOLD PERECTION

Dear PURELY 18,

I've been buying "skin" magazines for a long time. But your latest effort was the last erotica book I'll ever buy. You know why? Because for my whole adult life, I've been searching for the perfect model. When I laid eyes upon Gina in your last issue, I found the pot of gold at rainbow's end. She was perfect, the most wholesome-looking young girl I've ever seen!

Gina looked so angelic, with a stunning face and perfect body. Yet you could tell she still held her youthful innocence. The pictures were almost too much for me to take. Once you've found Nirvana you don't look for Heaven. I'm done—no more porn for me. Gina will forever be the woman in my life!

**Roger D.
Juno, AL**

(We don't know what to say, Roger. On one hand we don't want to lose a reader; on the other, we're ecstatic that we've made you a happy man for the rest of your life. We agree that Gina is one cherubic cutie, so enjoy.)

Vicki

33651

CAPRICE

ON MY OWN!

I just graduated from high school and I've decided to put off going to college to experience life—real life—on my own. With my savings, I've moved into my own apartment and I'm now living as an adult woman. Basically, what that means is that I can make my own decisions. And that includes how much sex I want to have, and who I want to have it with.

I had to live by my parents' rules when I was at home, but now I can do as I please. And I please to get fucked every night—and by a different person! Sure, I've tried it both ways, though I do much prefer cock. I love walking around my apartment nude, flaunting my young, naked body in front of my open window. I've snared a couple of lovers this way. When they come a-knockin', if they look good, I let them knock me in my pussy. Life as an adult is the best!

A Young Girl's Diary

I made a lot more than a few extra dollars on my first job.

Dear Diary,

I work at a copy shop to make extra money while I'm going to college. I just started, I'm first year, and it's a little intimidating. Even more so because I still have not gotten my V-card. You know what I mean, I haven't lost my Virginity yet. I've always been kind of a geek, no hook-ups or anything—and now in college I feel backward. And I can't stop thinking about sex and penises and my vagina.

Then into the copy shop comes this guy with pages for me to fax. I run the fax behind the counter. It turns out he wants me to fax his invoices to a publisher he works for. And guess what he writes? Porno. I can tell by the titles of the stories on the bills.

He's a polite guy, a lot older than I am, regular looking and not bad; and he doesn't make a big deal about what he writes. I mean he never talks about it, or boasts, or gets creepy, but there it is on the bills—the proof, titles like "He Creamed Her Good" or "She Asked for Cock."

I started to think, could I ask him for cock?

What an interesting way to finally get my V-card.

Being a sex maniac like I am because I can barely think about anything other than penises since I've been going to college, I even DRAW penises in a notebook from different angles and imagine them coming toward me while I play with my vagina. So you might say I make my own porno to enjoy. I'm not a bad artist. But I decided to break the ice with this porno guy by showing him my notebook the next time he came in to fax his porno bills. Maybe he could help me, I figured he would be a good place to kick off the real career of my vagina.

Lester (that's his name) was waiting for the receipts from the faxes, and none of my

co-workers were around, so I went over to him and opened the notebook. "You could help me with something, Lester," I said. He just stared at the pages and then looked up at me. My nipples were so hard under my shirt I thought they might crack and fall off.

"Art is not my field of expertise," he said, "but I can recognize passion in these drawings." He smiled, I guess the smile of a middle-aged guy who hasn't been flirted at by an eighteen year old girl in a minute.

"I could show you more if you come to my dorm room," I said. "My roommate isn't around this week."

"To what purpose should I come? A middle-aged mug like me?"

I wanted to say, "For your cock," but my mouth was so dry it was like all my saliva had evaporated. Then I realized maybe I was rushing myself. Maybe taking cock inside was too much, too soon. So I said, "I've looked at your stories, 'cause I see the names of the magazines on the bills, and I decided, um...I thought..."

"You want instruction in the art of erotic writing?" He was so deadpan I didn't know if he was pulling my leg.

"Um...no. This is hard to say..." I put my hand on his arm and then blurted it all out. "I thought maybe...you could help me...get through the loss of my virginity. That kind of thing. It's been driving me crazy and I thought a person like you, a writer about sex, nice looking and experienced, would understand. But now I don't think it's such a good idea!" I looked at him with what must have been the lamest smile in the history of smiles. "Is it?"

"Perhaps I indeed can help in a small but significant way," said Lester. "I would be a fool if I said I wasn't excited by the prospect."

You know something funny? He talked exactly the way he wrote... Back at my dorm, he was the one who looked nervous. "My own college memories are flooding back," he said.

"Help me make my own memories, Lester. But I don't know where to begin..."

"Gently, perhaps," he said. "Show me the beauty of your body. That's all you have to do. That'll be enough for today."

"Really?"

"You must work yourself toward the cock, Beth, let your vagina become accustomed to its aura, its imminent approach. I will sit over there and take it out. You lay on your bed and show me the allure of your young, graceful body."

There was a little pocket of wetness in me, ready to run down my legs at any minute. He sat down on the chair and I watched him take out his penis. He smiled in that deadpan way of his and began stroking. "It will get much harder faster if you give me the show you were born to give," he said.

I lay down on the bed and began to open my clothes. I wasn't sure where to start first, so I undid the front of my shirt and then I switched to opening my jeans and tugging them down my legs.

Then I went back and slipped off my shirt. I sat there in my bra and panties and he blinked as he watched me, and licked his lips. He was right; his penis was bigger and harder now.

"Don't stop the show," he whispered. "It's too lovely to break for intermission yet."

The way he talked, the gentle way he watched, was so hot with the sight of his veiny penis in his hand, the very type of thing I had been drawing so much in my notebook. I reached around and undid my bra, and he smiled at the sight of my titties; then I skimmed down my panties to my ankles and off my toes and there I was, nude on my bed and ready for what I needed.

"Now rub that little clit," he said. "It must be little, because you're so petite. Open your thighs and rub it the way I'm sure you're already an expert at. Rub it, we'll match our rhythm and it will be so nice to cum together."

Yes, I thought, leaning my head back against the pillow, this was a good idea. He knew a lot, more than guys my own age would. And probably even more because he was a porno man.

It was so syrupy inside my pussy, the noise made me embarrassed as my finger squished in. And then the smell, that sometimes comes off my body when I get excited, appeared—not an unpleasant smell, but sharp and musky and it made me feel like an animal.

"You're going to be quite a woman, all the guys will want you," said Lester, leaning his head back against the wall right behind the chair.

I was more comfortable now. It wouldn't happen at that moment, but I would be enjoying his penis soon. Whether in an hour or a day or a week, I would have it. And then I would have my V-card and I could study and concentrate and be sane again.

First I wanted to finish my show for him. I was grateful for this opportunity.

I propped myself up against the sheets and pillow, and I caressed my boobs and ran my hands down to my pussy. Then I turned over on my stomach and showed him my butt, running my hands over it and pulling apart the cheeks the way I saw girls do in videos. And then I bent my legs at the knees and stuck my tush up in the air and I looked over my shoulder at Lester as I

rubbed my pussy, which was so wet I should have felt ashamed...

"I want to drink all that beautiful girl wine, that hot girl juice," said Lester, and I almost laughed because it was so corny, but it was wonderfully dirty too, because I knew I was as wet as a bottle down there, it was all over my fingertips and then I suddenly started to shake and twist and I cried out, cumming all over my fingers.

And old Lester's man-cream sprayed out across the air and landed right on my bottom.

"I think you're well on your way to earning that V-card," he said, grinning at me and at the mess all over his crotch. "Let's rest up, and then discuss your options!"

I couldn't have agreed with him more!

TEEN CREAM SCREEN

LESBIAN BABYSITTERS 10

Sweetheart Video

33868

Starring: Veronica Avluv, Bailey Blue, Presley Hart, India Summer. **Director:** Dana Vespoli

The always-carnal Lesbian Babysitters smut series continues with India Summer in her usual role as a high-powered attorney struggling with her bitch lover Veronica Avluv, an ambitious actress suffering from postpartum depression. The couple hires a nanny, sexy Presley Hart, who grows very close to India as the two attempts to care for India and Veronica's baby. Enter the beautiful, nefarious Bailey Blue, Presley's best friend, who seeks to draw Veronica away from India, and use her pussy for her own selfish desires. Nothing illustrates Bailey's persuasive powers of seduction better than when she hooks up with Hart in the very first scene. The two get right

down to muff-diving with Presley licking Bailey's picture-pussy with reckless abandon. Presley kicks up the action by expertly finger-fucking the cute, dirty blonde. The action here is fast paced with each girl giving as well as receiving. The two rip through a number of flamboyant sex positions faster than you can say Rosie O'Donnell. Soon it's Bailey's turn to go down on her friend. Bailey works double time on Hart's beef curtains, which leads to one intense orgasm. The two then go pussy-to-pussy before Blue sits on Presley's face and this move ends, not surprisingly, in another explosive climax by Ms. Blue. No faking here, guys. This is the real fucking deal.

BABYSITTER DIARIES 12 Reality Junkies

Starring: Jenna J Ross, Carmen Callaway, Dillon Harper, Tinslee Reagan, Kurt Lockwood, Manuel Ferrara, James Deen, Erik Everhard. **Director:** Bobby Manila

Jasmine (Carmen Callaway) arrives late for her babysitting job, which really pisses off her employer (Kurt Lockwood). While explaining the babysitting rules to her he gets the impression that she has no fucking experience. What a surprise. That's when things really start to heat up. Carmen possesses an unbelievably killer body and her cool, blue eyes only add to her overall allure. When the babysitter makes the first move, Lockwood is already locked and loaded. He gently spansks her before sticking double digits in her pussy, Callaway's tiny tits and cleanly shaven

pussy prominently on display. It's a short but steamy interlude before the stud literally picks her up, spins her upside down, and begins dining at the "Y". The duo transition into a "69" before Carmen buries Kurt's cock deep down her throat. When Lockwood finally drives his dingus deep inside Callaway's pussy the babysitter squeals with utter delight—all the way through reverse cowgirl, missionary, and, finally, doggie-style. Seconds later, Lockwood unloads his copious spunk all over the naughty nanny's pretty mug.

TOO BIG FOR TEENS 13

Reality Junkies

Starring: Cindy Starfall, Veronika Radke, Lia Lor, Dillon Harper, Xander Corvus, Manuel Ferrara, Jordan Ash, Johnny Sins. **Director:** Bobby Manila

Of all the hot sex action in *Too Big For Teens 13*, it's Asian slut Cindy Starfall and well-hung cocksman Xander Corvus' coupling that delivers a heaping dose of sexual mojo! Corvus turns the proverbial tables on Cindy leading her to believe he's gay. Once safely inside her bedroom, it's Starfall who gets her mind blow when she challenges her "gay girlfriend" to reveal how many inches he's packing. Starfall's eyes nearly bulge out of her head when Xander's whips out his meat puppet. Frightened yet curious, first she touches it before sucking in earnest. She even attempts to deep-throat it, but without success. It's a long, riveting oral scene that even features Starfall nearly choking on the

chub. Xander, of course, reciprocates by going down on his Asian princess before making her come for the first time employing and ancient Vietnamese finger-banging technique. Now fully hooked on the length and girth of her friend's schlong, Cindy rides him in cowgirl as Corvus conveniently buries a digit in her chocolate starfish. Starfall sells the scene well, convincing even her harshest critic that this is, in fact, the first time anything this big has found a home in her ghooey kablooie. The duo diligently transition through a host of three more pussy-stretching positions before Xander busts his tremendous load down her throat and all over her face.

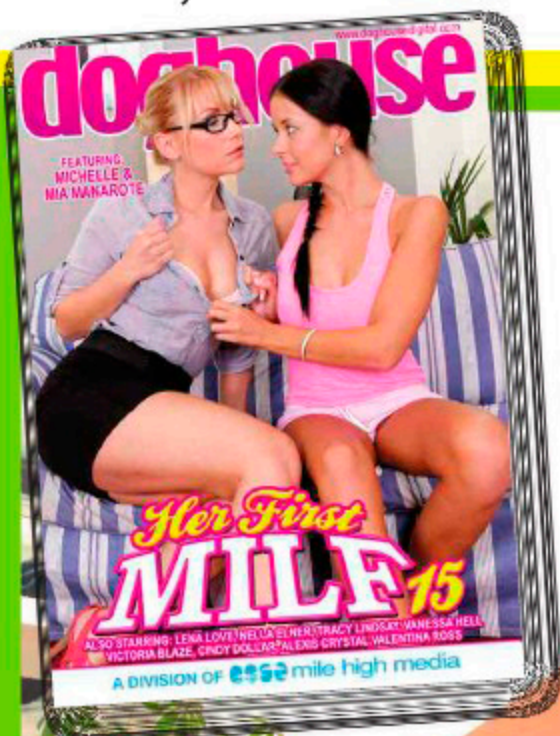

HER FIRST MILF 15 Doghouse

33865

Starring: Michelle, Mia Manarote, Victoria Blaze, Cindy Dollar, Valentina Ross, Alexis Crystal, Vanessa Hell, Tracy Lindsay. **Director:** KK

Young lesbians always need to be taught a lesson or two in sexual maturity when they come under the seductiveness of these smoking-hot MILFS in Doghouse's most notorious series yet: Her First MILF. Anytime you mix hot and horny MILFS with young lesbian poontang you're sure to get a "lick-a-lotta-puss"-fest that you soon won't forget—and HFM 15 certainly doesn't disappoint in the decadence department. The real hardcore action kicks off when super-hot housemaid Victoria Blaze wanders in aimlessly on her employer, Cindy Dollar, erotically splayed out on her spacious bedroom. Blaze quickly moves in for the kill, dutifully satisfying everything the lady of the house desires—and that just happens to be Victoria's

gorgeous 34B breasts. Dollar then drops and buries her face and tongue in the young brunette's sopping, wet pussy. Yum. Not surprisingly, she then fingers her young charge to her first orgasm before the maid begins her first daily chore: obediently licking Victoria's pussy with her serviceable pink tongue. The older MILF, naturally, breaks out a massive, pink dildo and slowly pumps it in and out as her fingers dance over the young lesbo's swollen clit. Then it's the maid's turn to break the Dollar with the sex toy, conveniently positioning her in doggie for perfect access before wailing away furiously at her impeccably shaved pussy. A dozen strokes later and Dollar experiences the first of three body-racking orgasms.

DENISE & JEFF

"I Love When He Eats My Pussy"

Just because I'm young doesn't mean I don't know what I want. What I want is to have a good time, all the time. The way I see it, I have plenty of years to experience life's harder side later on. It would be different if I weren't so freaking hot, but this smokin' blonde can call her own shots!

At the moment, I'm doing the dirty with Jeff. He's cool, but the real reason I'm with him is that he's very mature sexually. He's not like most guys his age—just looking to dip their stick and get off quickly. He knows how to take his time and please a woman. I especially love when he eats my pussy. Jeff's tongue is as talented as his cock. He knows how important it is to get me off. Once I'm happy, I don't mind making him happy, too. It's a win-win!

Teen
Dream

CHLOE

A Nerdette Goes Pantiless!

People think I'm a nerd—or as my best friend, Tina, says, “Nerdette”—because I'm smart and wear glasses. But they don't know the true me. I guess I'm what they call an exhibitionist. I simply adore displaying my wares in public when people least expect it.

There's a park near campus. On a sunny day, I'll take a stroll. When I see a guy sitting on a bench, I'll bend over and let him see my pantyless crotch. Or I might sit on the grass, legs spread and wait for the inevitable gaze of passersby when they see my bare bush. When I'm feeling really naughty, I might even play with myself when a cute guy walks past. I love to watch a guy's face as he looks at me rubbing my clit, while I act like he's not even there. So maybe I'm not such a big nerdette after all!

teens TALKING trash 2

Starring: Tia Cyrus, Abby Cross, Eve Evans, Alana Raines, Charity Bangs
Directed By: Mike Quasar
Available From: Third Degree Films

Fuck Me. Fuck My Cunt. Cum In Pussy. These are things any reader of Finally Legal loves to hear from any collection of fresh-faced, poorly mannered, little tramps. And, understanding our penchant for dirty debutantes with potty mouths, ace director Mike Quasar has assembled a fantasy lineup of five sophomore sluts, each hotter and filthier than the next, in this young girl release. With a bevy of smack-talking cocksuckers, this is one temper tantrum you won't want to miss. Each girl talks the talk and walks the walk, following their smut-laden obscenities with deeply depraved acts. Stuffing cocks in bratty mouths and pussies has never been hotter!

Tia Cyrus, a pin-thin Latina, begins the show by retelling a story about seducing some guy. In walks Mark Wood. While fucking her silly across a bed, Mark makes sure that her mouth is stuffed with either meat or moans in an effort to stifle her foul disposition. Watching Tia get fucked is a real treat. Her every move is seemingly an invite to invade her holes and splooge as much goo as possible. As Mark Wood slammed her eight ways til Sunday, this writer was secretly hoping for her to take it up the ass. There's nothing dirtier than a foul-mouthed bang princess getting railed in the keister as a comeuppance. Well, lack of anal fucking aside, it was a great scene, and most certainly crank-worthy!

t i a
CYRUS

abby CROSS

Afterwards, Abby Cross retells a funny story about fucking Tommy Pistol, a derelict from the mall. After she brings him home and offers him a sandwich, he repays her kindness by treating her to multiple orgasms and plenty of his hard cock. Abby sucks his transient cock like a champ and offers sweet shelter and wet hot comfort in the form of her tight cunt. Ever the gracious guest, Mr. Pistol takes her from behind and never invades her asshole as so many hobos might. Instead, he spews a hot white creamy "thank you" on her face and splits. This was a molten hot shoot and the ease in which these two fucked was a real pleasure to watch.

Meanwhile, in the next room, Eve Evans, a hoochie mama straight from the hood, is berating her lazy boyfriend, Mr. Pete, for being a "broke ass mutha fucka". In every effort to silence her bitch within, Mr. Pete slams his cock into her mouth and later into her pussy, showing her that his true value isn't monetary but sexual. Again, perfect chemistry between the two actors made this a treat to witness. Seeing Eve Evans perform the role, and fucking the exact way every single ghetto girl this writer has ever met was a dream come true. How I wish I would have fucked those dirty girls back in the day, but what can you do?

alana RAINES

Next, as a way of getting back at her boyfriend, Alana Raines revenge fucks Tommy Pistol; the luckiest derelict ever. Delivering the most scorching scene of the production, the movie is worth watching just for this encounter alone. Alana takes it deep and fast and is nice and flexible. She delivers on every single filthy claim she says and her cunt takes a serious pounding.

AVA & LIZZY

Time To Pucker Up!

My nickname in high school was "Lizzy the Lezzy" because I was always trying to get with hot babes. A few would let me kiss them, but they were way too uptight to go all the way. Now at college I'm meeting all these awesome chicks that aren't afraid to be banged out by a girl. Like my roomie Ava. She's tall and slim and more importantly she lives to eat my pussy and have me eat her back. Ava's obsessed with my titties, which are bigger than hers, but her bee stings are way more sensitive. Once I made her cum just by pinching her nips! Real talk. What's best about Ava is that she lets me play with her ass—I like to stick a few fingers inside and stretch her asshole wide open. Then after I withdraw my digits I say, "Pucker up!" and kiss her right on the rosebud....

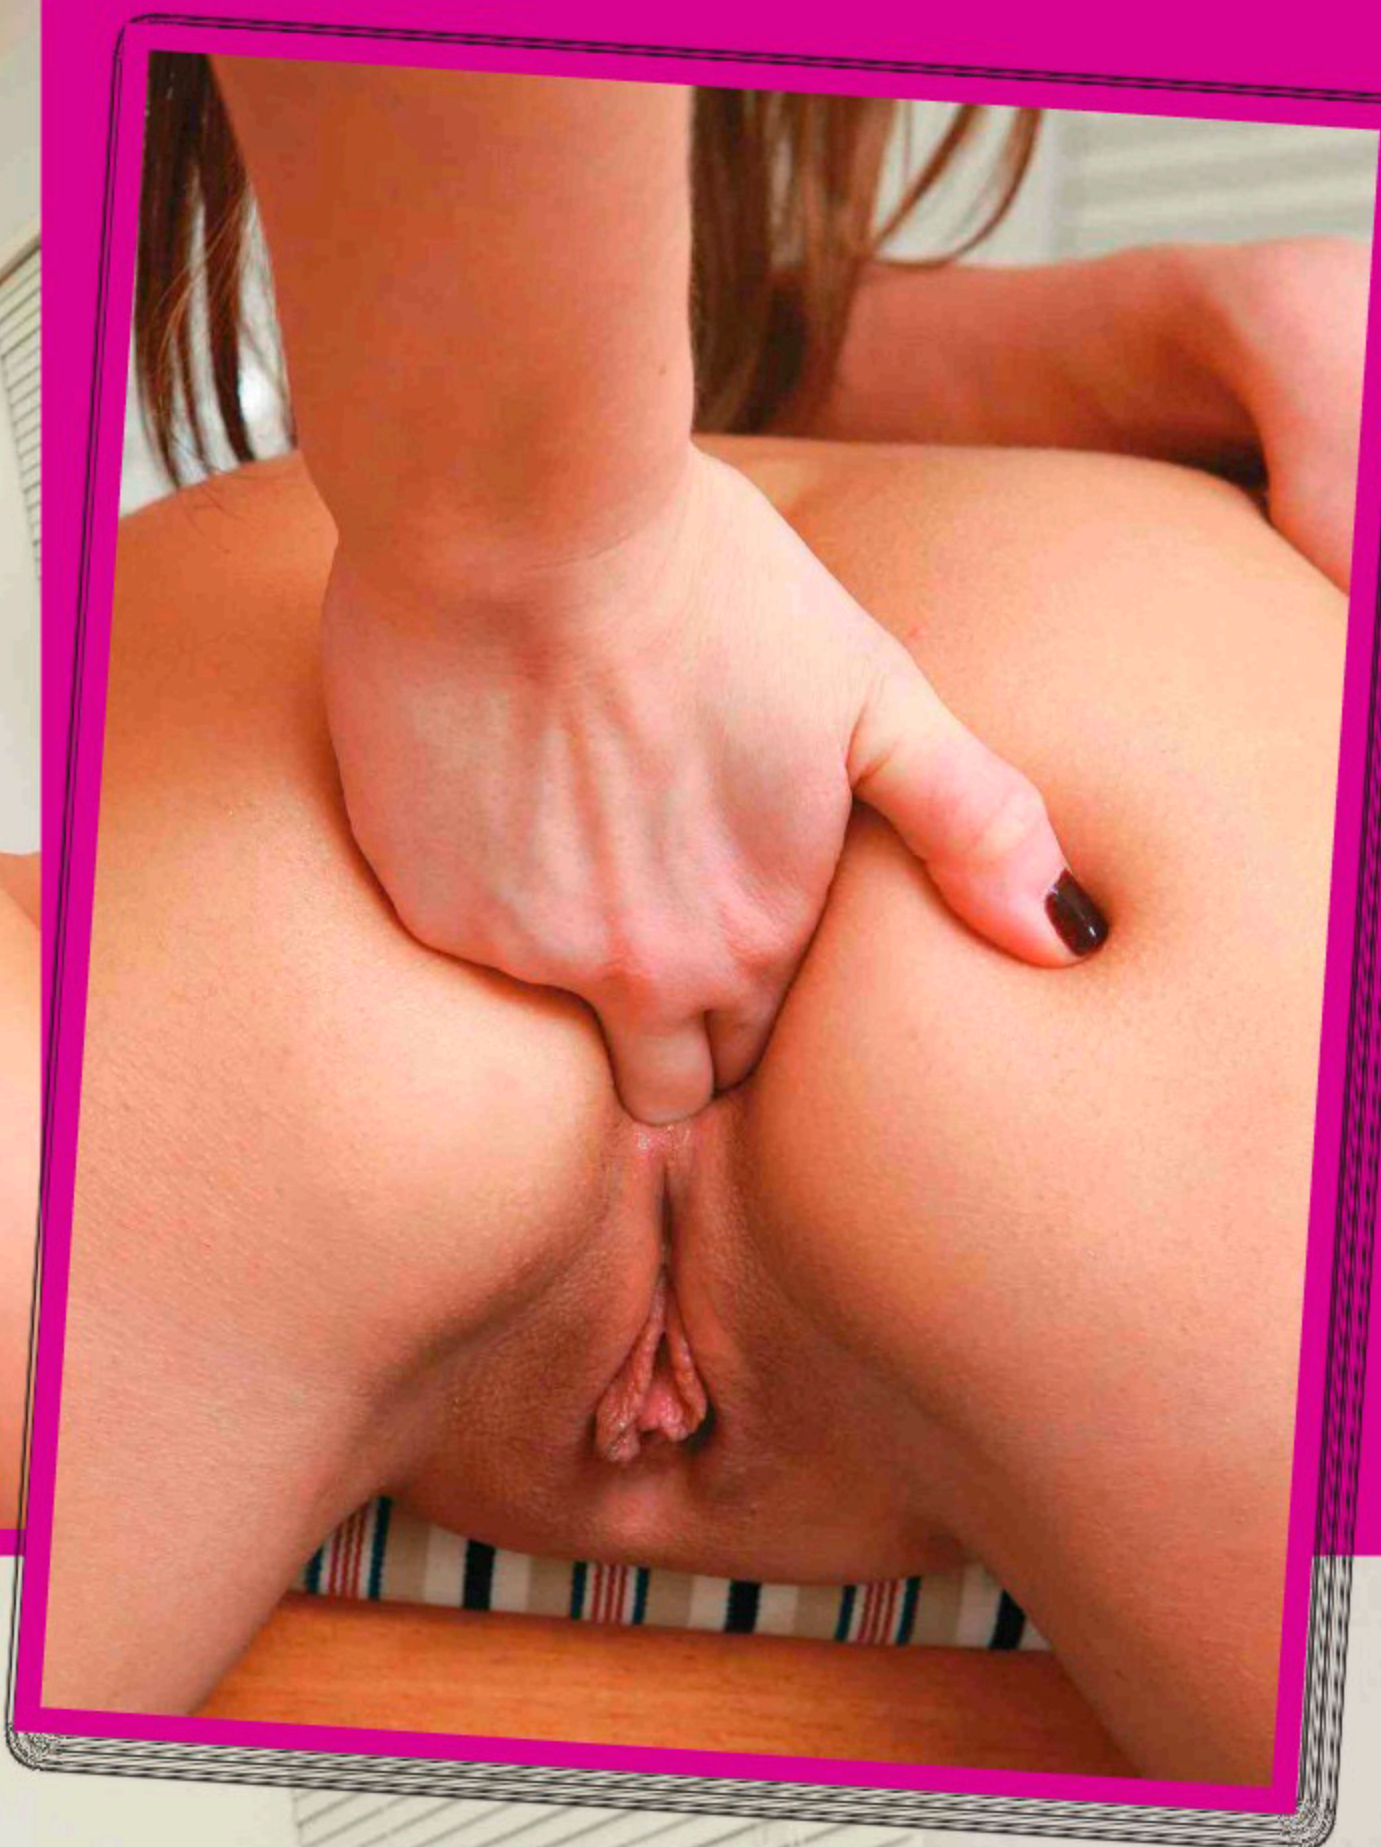

TEEN PORNSTAR! REAL COLLEGE GIRL BELLE KNOX

Once in a while an actual star is born in the world of adult. Some cross over to mainstream years later, but there's that rarity when a star makes a simultaneous splash in both the XXX and real-life world. Belle Knox is that rare starlet.

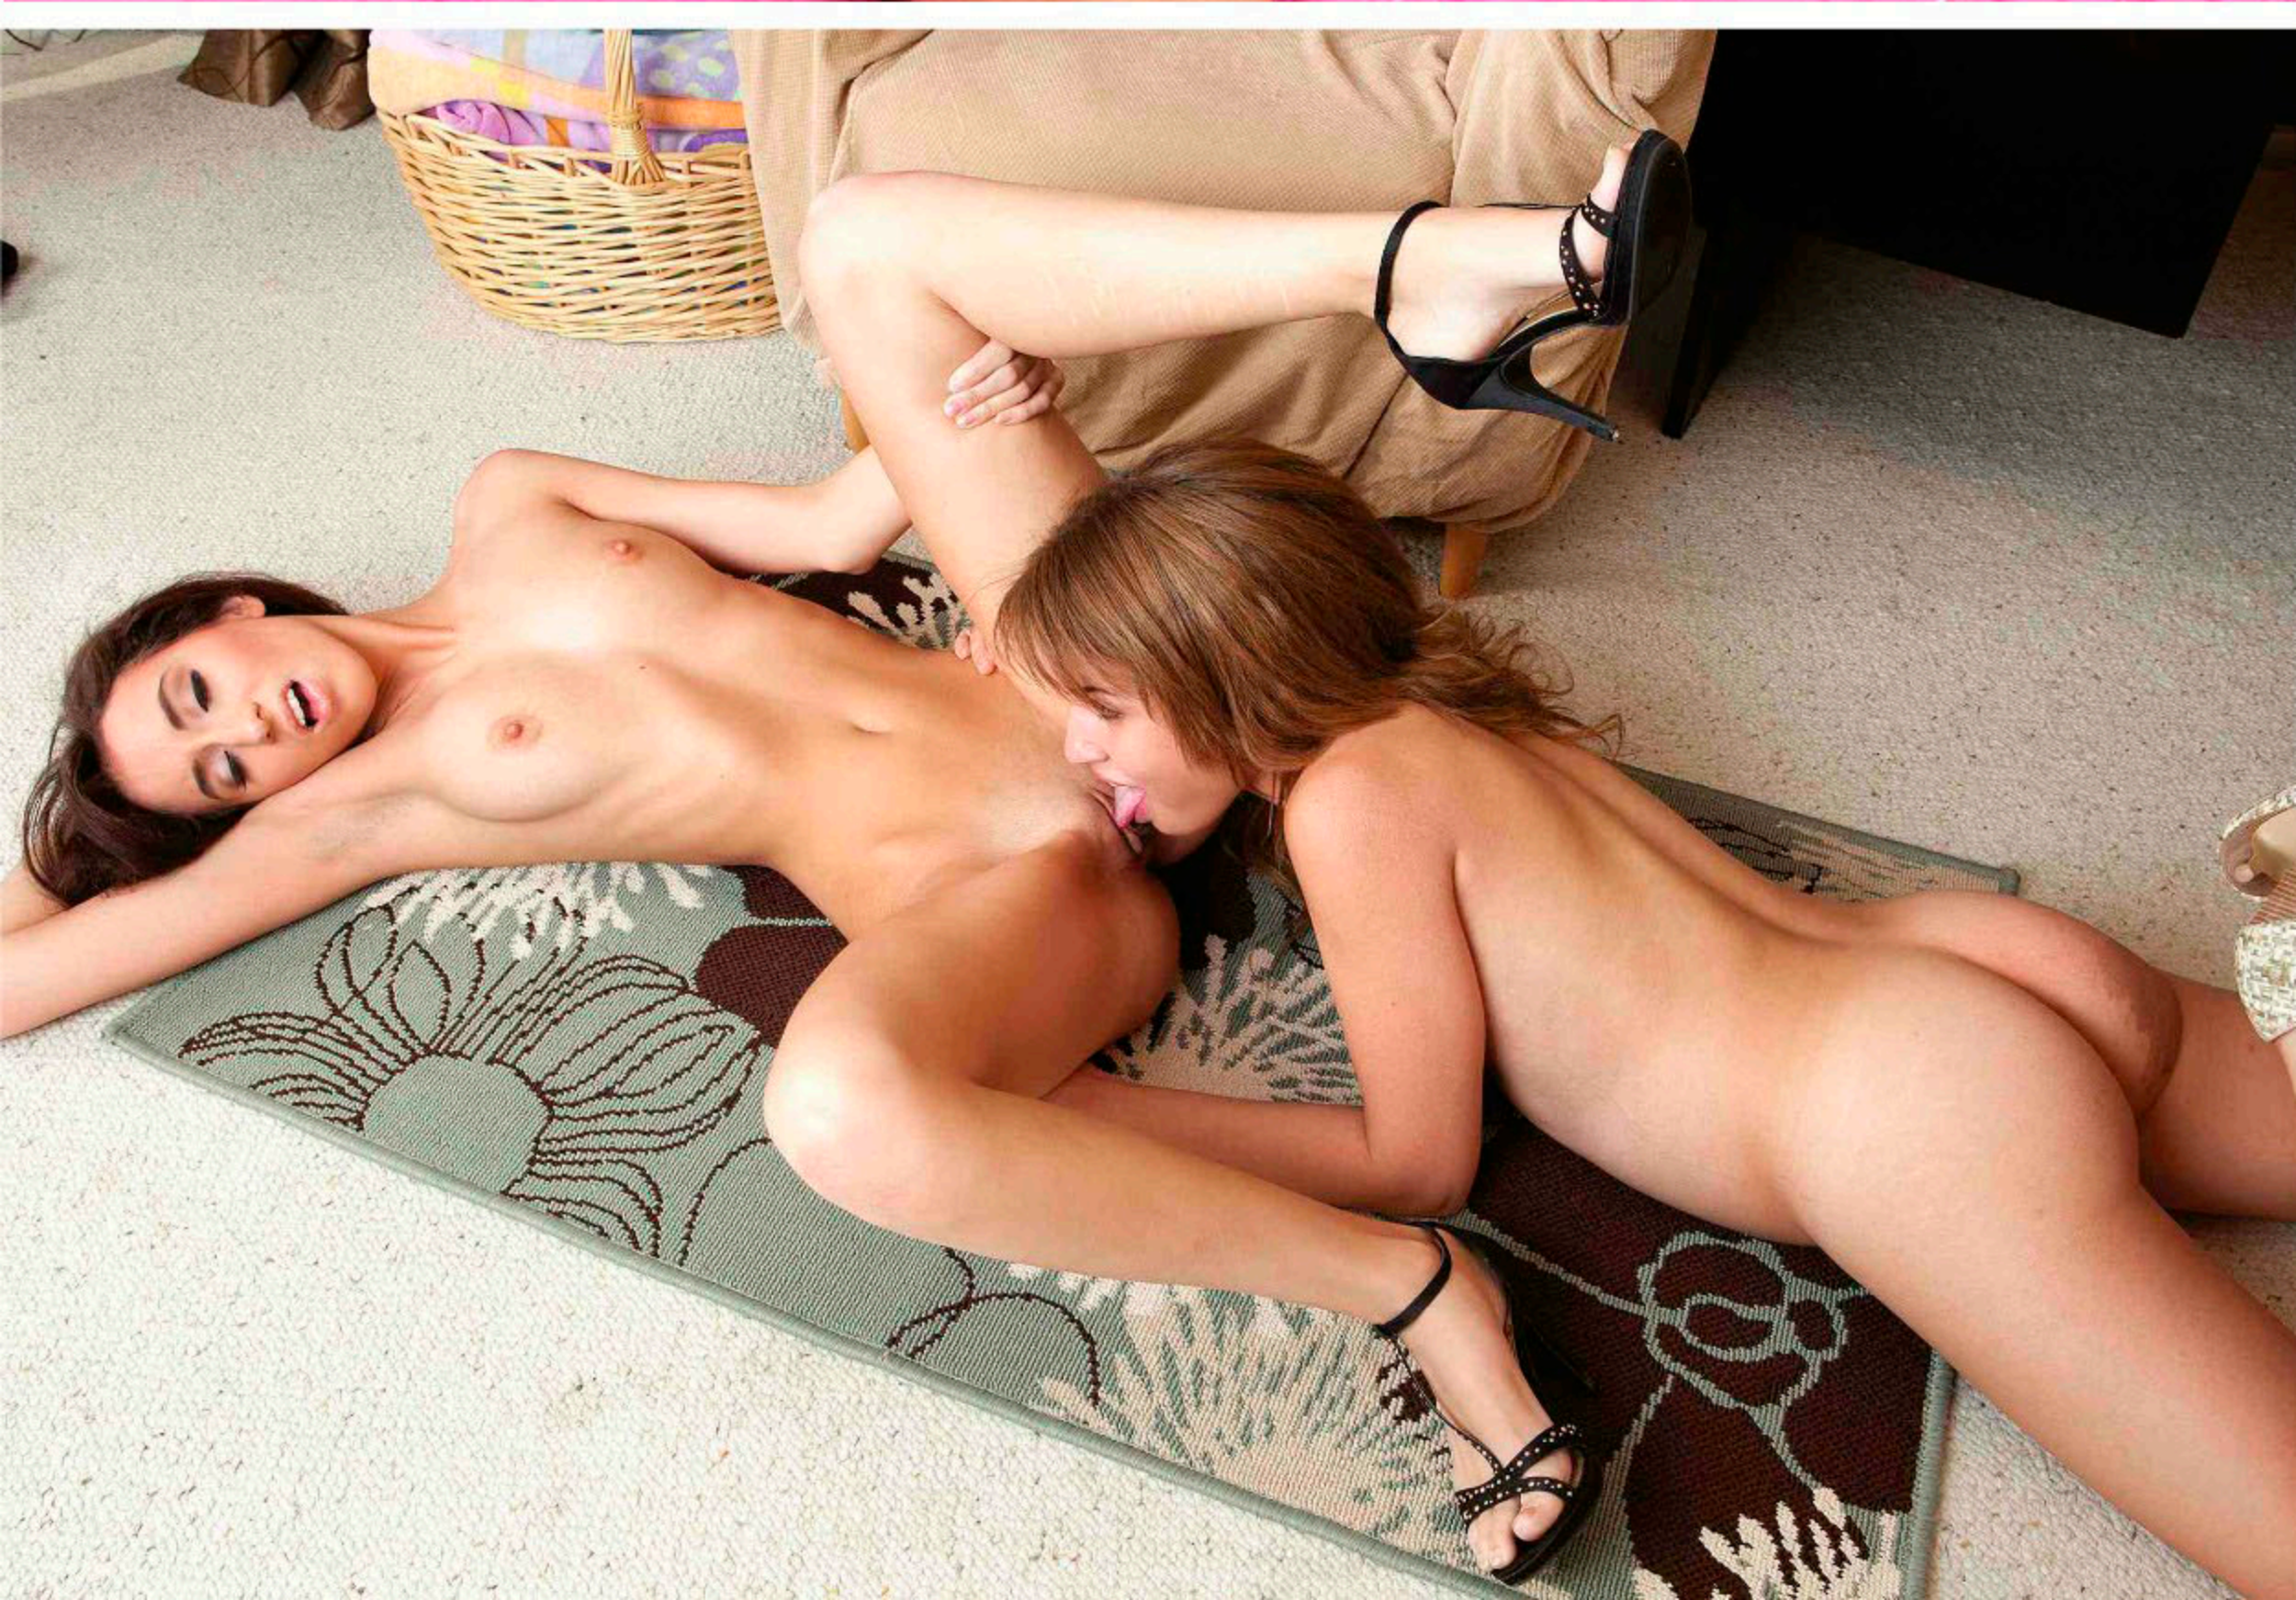

At the beginning of the year an 18-year-old college freshman who was beginning her scholastic life studying woman's studies and sociology at Duke University was "outed" and sent the North Carolina school into wild for leading a double life as a porn star. That girl was Belle Knox. Since then, she has done her best to continue her studies while shooting porn flicks like *Real College Girl: Belle Knox* on the side.

Veteran director shot the movie for Adam and Eve, that has gained notoriety from both adult reviewers and the mainstream press. Belle has been in the midst of a whirlwind publicity tour, appearing on major shows such as "The Howard Stern Show" and "The View," as well as mainstream mags such as *Rolling Stone* and *Vanity Fair*.

In *Real College Girl: Belle Knox* this starlet does it all — with guys, girls and then some. And along the way she is getting accolades, such as being named by the fans as the top "New Girl on the Block" at the EXXXOTICA Fan Choice Awards.

VANESSA

She Knows She's Hot!

I think most coeds like myself have a negative body image. Not me. I'm real proud of how I look. I know I'm pretty and that my body is fit, trim, and ogled by males from 18 to 80. Toward that end, I love to go nude. I parade around my dorm room sans clothes all the time. And I don't care who sees me.

More important, to feel good about myself, I think it's important to get fucked as much as possible. To know that dudes want my body builds self-esteem. I love to see cocks get hard when they check me out. I also love making guys beg to put it in me. It's my favorite game. I believe more young girls should follow my example. Self-confidence is very important. Make guys want your pussy and you'll be happy!

JANICE & MARK

I Give Whatever He Wants!

I think I'm different than most girls my age. My 18-year-old friends are only in it for themselves; they want their boyfriends to march to their beat. If they don't do as told, no nookie. I've taken the cue from my mother, who's sole mission in life is to please my dad. I really admire her and so I guess I'm now acting like her.

My guy, Mark, is a stud and I want to make him happy. So I go out of my way to please him—anything he wants. What he wants mostly is for me to suck him off. I've even learned to swallow to make him happy. My friends think I'm wrong, but making Mark happy makes me happy. My mouth, cooch, and even ass is at his beckon call. That's cool with me!
